In the Matter of:

THE NOTICE OF PURCHASED)	
GAS ADJUSTMENT FILING OF)	CASE NO. 8678-A
WESTERN-LEWIS RECTORVILLE)	
WATER AND GAS DISTRICT)	

O R D E R

On March 1, 1983, the Commission issued its Order in Case No. 8678 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased.

On March 28, 1983, Western-Lewis Rectorville Water and Gas District ("Western Lewis") notified the Commission that its wholesale cost of gas would be decreased by its supplier, Columbia Gas Transmission Corporation ("Transmission"), effective March 1, 1983, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record filed in this case and being advised, the Commission is of the opinion and finds that:

(1) Western Lewis' notice of March 28, 1983, set out certain revisions in rates which Western Lewis proposed to place into effect, said rates being designed to pass on the

wholesale decrease in price from its supplier in the amount of \$501 or .8 cents per Mcf.

(2) Transmission has filed an application for decreased rates to become effective March 1, 1983, with the Federal Energy Regulatory Commission.

(3) Due to the retroactive nature of Transmission's decrease, Western Lewis should report to the Commission any excess revenues collected during the period from March 1, 1983, to the date the proposed rates are implemented, along with a plan to refund any excess collections to its customers.

(4) Western Lewis' adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 8678 dated March 1, 1983, is fair, just and reasonable, and in the public interest and should be effective with gas supplied on and after March 1, 1983.

IT IS THEREFORE ORDERED that the purchased gas adjustment sought by Western Lewis be and it hereby is authorized effective with gas supplied on and after March 1, 1983.

IT IS FURTHER ORDERED that, for the purpose of the future application of the purchased gas adjustment clause of Western Lewis, the base rate for purchased gas shall be:

	<u>Demand</u>	<u>Commodity</u>
Columbia Gas Transmission Corporation	-	\$4.8822 per Dth
Columbia LNG Corporation	-	6.0801* per Dth

*Including Transportation Charge of .4701

IT IS FURTHER ORDERED that Western Lewis shall report to the Commission any excess revenues collected during the period from March 1, 1983, to the date the proposed rates are implemented, along with a plan to refund any excess collections.

IT IS FURTHER ORDERED that within 30 days of the date of this Order Western Lewis shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 12th day of April, 1983.
